

Welcome Southwark Class of 2024!

We are so excited for your final year at Southwark Elementary and we hope you are too! Your 8th grade year is very important. As 8th graders you set an example for the entire school. This is the year you apply to high school, help organize and run Southwark events, and graduate from Southwark Elementary! We expect you to work hard, wear your uniform every day, and follow the dragon norms:

- Dragons are respectful
- Dragons are on time
- Dragons are in uniform every day
- Dragons follow the cell phone policy (turn them in!)
- Dragons follow the bathroom policies
- Dragons complete all school work and homework

8th graders will be expected to pay dues in order to participate in the activities throughout the year. These dues will include your yearbook, class tee shirt, trips and graduation! Be on the lookout for more information regarding your 8th grade dues this fall!
